## **CERN openlab and Intel Numerical Computing workshop** <sup>[1]</sup>

**Date:**

Tuesday, 25 September, 2012 (All day) to Wednesday, 26 September, 2012 (All day)

**Location:**

eg. [CERN Building 593, Room 11](#) <sup>[2]</sup>

CERN openlab and Intel are pleased to announce a second instance of the Numerical Computing workshop, scheduled for 25-26 September at CERN. The course will be taught by external experts and several CERN staff. The workshop is targeted at an audience with good programming experience who would like to understand and control the floating-point calculations in their scientific programs.

More information is available at the [indico web site](#).
