Performance Measurement and Analysis of the Grid Storage Manager DPM ^[1]

Date published:

Friday, 12 August, 2011

Document type:

Summer student report

Author(s):

M. Hellmich

The report describes investigations into the performance of the DPM (Disk Pool Manager), a solution for storage on the grid. The work quantifies i/o performance in a number of different scenarios and proposes explanations for the behaviour with reference to the DPM's architecture and internals.
