## Comtrade Collaboration Improves Access to LHC Data <sup>[1]</sup>

**Date published:**

20 Nov 2015

**Outlet:**

[financial-news.co.uk](http://financial-news.co.uk)

Comtrade said it has joined CERN openlab as an associate member.

The collaboration will address the accessibility, manageability and scalability of the EOS storage system used by the European Organization for Nuclear Research (CERN). By improving EOS deployment, data access and management, Comtrade will enhance collaboration among the growing number of research organizations participating in the experiments on the world's most powerful particle accelerator ? the Large Hadron Collider (LHC).
