LJUBLJANA, November 19, 2015 ? Comtrade ^[2], a leading provider of IT infrastructure management and monitoring solutions, has joined [CERN openlab](#) ^[3] as an associate member. The collaboration will address the accessibility, manageability and scalability of the EOS storage system used by the [European Organization for Nuclear Research \(CERN\)](#) ^[4]. By improving EOS deployment, data access and management, Comtrade will enhance collaboration among the growing number of research organizations participating in the experiments on the world's most powerful particle accelerator ? the [Large Hadron Collider \(LHC\)](#) ^[5].
