Do not miss tomorrow's webcast on the impact of computing at CERN on society ^[1]

Wednesday, 21 May, 2014

On Thursday 22 May 2014, [Bob Jones](#) ^[2], Head of CERN openlab, will give a lecture on the 'Impact of Computing at CERN on Society' in the framework of [CERN's 60th anniversary celebrations](#) ^[3]. This [public lecture](#) ^[4] will take place at [CERN's Globe for Science and Innovation](#) ^[5] and will explore some of the new IT challenges, how they have been tackled and what impact they are having beyond physics and ultimately on society as a whole.

The webcast will start at 19:30pm Central European Summer Time at the following url:
