Flavours of Physics: Join the LHCb Machine-Learning Contest ^[1]

Date published:

21 Jul 2015

Outlet:

stepsintospace.blogspot.ch

In a machine-learning challenge organised by CERN and Yandex Data Factory (a data-analytics division of Russia's leading web search provider Yandex), and hosted by the data-science website Kaggle, LHCb physicists invite you to help them investigate a rare phenomenon in particle physics for the chance to win up to \$7000. The phenomenon in question? Charged-lepton flavour violation.
