CERN openlab: supporting the LHC research programme for 15 years ^[1]

Date published:

27 Jul 2016

Outlet:

physics.uoc.gr

CERN openlab held an 'open day' event on 8-9 June. The event provided an opportunity to learn about CERN openlab's work: collaborating with leading ICT companies and research institutes ^[2] to accelerate the development of cutting-edge solutions for the worldwide LHC ^[3] community, as well as for wider scientific research.
