CERN: Updates for students and educators ^[1]

Date published:

5 Feb 2017

Outlet:

educators490.rssing.com

Are you a bachelor's or master's student in computer science, mathematics, engineering, or physics? Do you have a strong computing profile, and would be interested in working on advanced ICT projects at CERN during summer 2017? If so, we have just the solution for you... the CERN openlab Summer Student Programme.
