## Technical workshops prepare ground for CERN openlab VI

[1]

### **Date published:**

6 Mar 2017

### **Outlet:**

satprnews.com

Last week, CERN openlab hosted the first of three technical workshops in preparation for the collaboration's next three-year phase, which starts in 2018. These workshops bring together researchers and representatives of leading ICT companies to discuss the challenges that the high-energy physics community and other fields of 'big science' will face over the coming years.
