CERN openlab Summer Students 2018 (Member States and Non MS) ^[1]

Date published:

5 Dec 2017

Outlet:

myscience.ch

In summer 2018, CERN will offer several residential programmes for high-school students and their teachers. These summer programmes offer the unique chance to explore the fascinating world of particle physics through lectures, on-site visits, hands-on workshops, and ample opportunities to interact with CERN's scientific community. The programmes will be delivered entirely in English and are open for participants from around the world.
