## HiPEAC18 provides the expertise needed to advance computing in the face of crisis <sup>[1]</sup>

**Date published:**

15 Jan 2018

**Outlet:**

hipeac.net

- Manchester is this year's setting for Europe's largest computing research conference, which takes place from 22-24 January
- As the world reels from the exposure of major chip-level security flaws, HiPEAC's community of experts is more essential than ever
- Three keynote talks, 27 workshops, eight tutorials and 33 papers over the three-day conference will cover everything from machine learning to secure critical real-time systems
