CERN to give update on Higgs search as curtain raiser to ICHEP conference ^[1]

Friday, 22 June, 2012

CERN will hold a scientific seminar at 9:00CEST on 4 July to deliver the latest update in the search for the Higgs boson. At this seminar, coming on the eve of this year's major particle physics conference, ICHEP, in Melbourne, the ATLAS and CMS experiments will deliver the preliminary results of their 2012 data analysis.

The full press release is available on CERN website ^[2]
