

# CERN openlab II

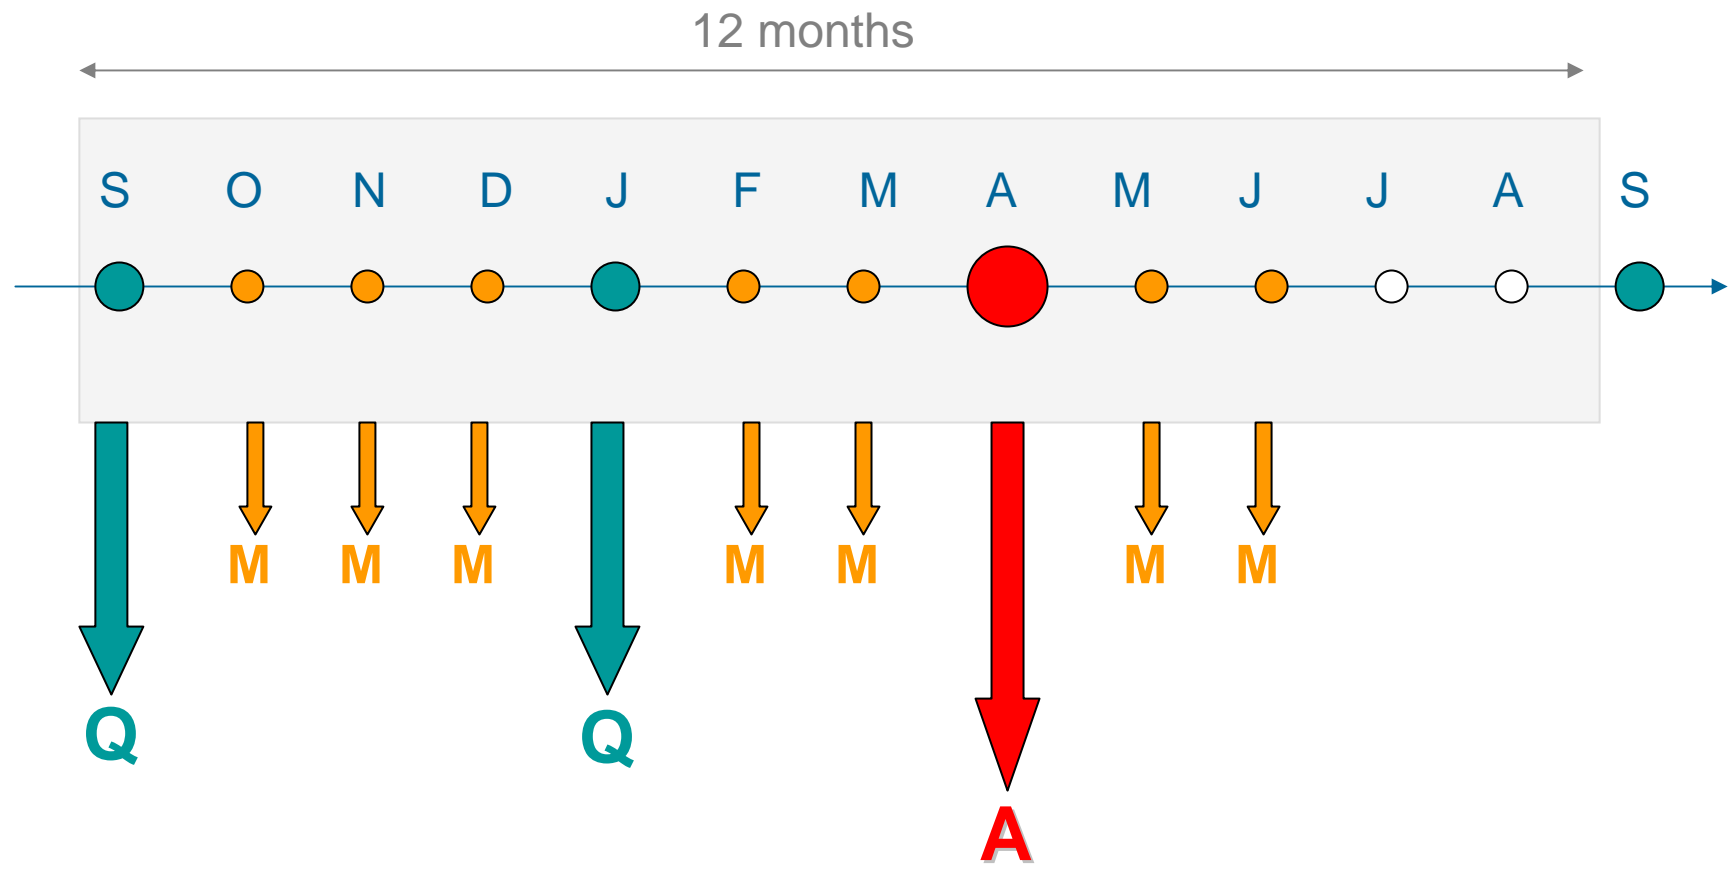

François Fluckiger  
openlab Manager

# Mechanisms for progress follow-up

- Request at last Board of Sponsor Meeting for **progress and review meetings**
- In place since last fall
- Two-level mechanisms
  - **Monthly** technical progress meetings
  - **“Quarterly”** review meetings
- Mechanisms are flexible / adaptable
  - Starting point:  
No Monthly + Quarterly/Annual the same month

- In practice, 10 events / year

# Feedback from partners are welcome

- Pace of monthly / “quarterly”
- Content of “quarterly”
  - Focus
    - **Technical** - achievements and plans
  - Format
    - Mainly **presentations** by young people
  - Added this time
    - Update on **communication**

- Last BoS before LHC start
- First draft being prepared
- Highlights
  - Status and plans for **LCG** / EGEE
  - openlab achievements, vision / evolution
  - Active involvements of partners
