CERN OpenLab, Summer Student Programme

Who should apply for CERN openlab Summer Student Programme [1] ?

Are you a B.Sc. or M.Sc. student (who will have completed at least three years of full-time studies at university level by next spring) in computer science, mathematics, engineering, or physics – with a strong computing profile? Would you be interested in working on an advanced IT project for two full months (nine weeks) during the period June-September 2018? If so, you should apply to the CERN openlab Summer Student Programme! [2]
