CERN Openlab Summer Student Programme,Switzerland-2015

CERN Openlab Summer Student Programme,Switzerland-2015

Applications are invited for two months CERN summer student programme to work on advanced IT projects. Bachelor or master students having completed (by the summer of attending) at least three years of full-time studies at university level in Computer Science, Engineering, Mathematics or Physics are eligible to apply. During two full months corresponding to nine weeks (June-September 2015), the CERN openlab summer students will be given a series of IT lectures especially prepared for them by experts at CERN. A report on the work project carried out is to be handed in at the end of the stay.

Application Deadline: 28 February 2015

Programmes Offered:

- Data Acquisition
- Computing Platforms
- Data Storage Architectures
- Compute Provisioning and Management
- Networks and Communication
- Data Analytics

Course Level:

This is a two months summer student programme.

Eligibility:

- Bachelor or master students having completed (by the summer of attending) at least three years of full-time studies at university level in Computer Science, Engineering, Mathematics or Physics, interested in working on advanced IT projects for two full months (nine weeks) during the period June-September 2015 are welcome to apply.
- Please note that the applicants must remain registered as a student during summer 2015 and that students graduating during summer 2015 are also eligible to apply.
- Students having already worked at CERN before (as a User or a Technical Student) are not eligible to apply.
- A good knowledge of English is mandatory; knowledge of French would be an advantage.

Benefit:

A stipend of 90 CHF per day during contractual dates (generally 61 days) is sponsored by CERN and the CERN openlab industrial members and should cover accommodation and living costs during the nine-week stay. Students are covered by the CERN health accident insurance scheme, and are offered a travel allowance on a lump sum basis.

Tenure:

Two months

Application Procedure:

Applications must be submitted online with the following documents attached to it: the applicant's CV, recommendation letter(s) from university supervisor(s), a motivation letter with an indication of the preferred area of work, and the university declaration for the current year.
