Are you a B.Sc. or M.Sc. student who has completed at least three years of full-time studies at university level and is currently studying in Computer Science or Mathematics Engineering with a strong computing profile? Would you be interested in working on an advanced IT project for two full months during the summer? If so, you should apply for the CERN Openlab Summer Student Programme.

WORTH

- A stipend of 50 CHF per day during contractual days (generally 60 days) is sponsored by CERN and the CERN Openlab industrial members, and should cover accommodation and living costs during the nine-week stay. Students are covered by the CERN health and accident insurance scheme and are eligible for a CERN pension scheme.

Students are expected to have a strong scientific background and a good command of English. The programme is open to students from all over the world. For full-time

- You will remain registered as a student during your stay at CERN. If you expect to graduate during summer 2018, you are also eligible to apply.
- You have not worked at CERN before with any other status (Technical Student, Trainee, User...) for more than 3 months and you have not been a CERN summer student in the past.
- A good knowledge of English is mandatory; knowledge of French would be an advantage.

DEADLINE: February 19 2018
