CERN openlab Summer Student Programme 2017

in: [Internships](#) | 05.02.2017

Applications for the 2017 CERN openlab Summer Student Programme are open until 23:59 CET on 15 February, 2017. Don't delay: apply and open a world of possibilities!

By joining the programme, you will work on ambitious IT projects using some of the latest hardware and software technologies, and see how advanced IT solutions are used in high-energy physics. In addition, you will have the opportunity to attend a series of [lectures](#) developed for the CERN openlab summer students, given by IT experts on advanced CERN-related topics. Included in the programme are also [visits](#) at the CERN facilities and experiments, as well as other research laboratories and companies.

The CERN openlab Summer Student Programme is much more than just a summer at CERN. It can lead to follow-on projects in your home institute. It may even inspire you to become an entrepreneur in cutting-edge computing technologies!

More details on the CERN openlab Summer Student Programme are available [here](#).

Apply now on the 'Careers at CERN' website.
