## CERN

### CERN openlab Summer Students 2018

A+ A- [print icon] [share icon]

Are you a B.Sc. or M.Sc. student (who will have completed at least three years of full-time studies at university level by next spring) in Computer Science or Mathematics, Engineering or Physics with a strong computing profile? Would you be interested in working on an advanced IT project for two full months during the summer? If so, you should apply to the CERN openlab Summer Student Programme!  
 Deadline to submit applications and all required documents: 19 February 2018 (23:59 CET)  
 Date limite d'envoi des candidatures et des documents requis: 19 Fevrier2018 (23:59 CET)

Job Reference: SUM-OPENLAB-2018

Closing date: 19/02/2018

Role Description

During two full months corresponding to nine weeks (June-August 2018), the CERN openlab summer students will be given a series of IT lectures especially prepared for them by experts at CERN and other institutes. The students also have the opportunity to attend the CERN generic student programme lectures, if they wish. Visits to the accelerators and experimental areas are part of the programme, as well as visits to external companies. A report on the work project carried out is to be handed in at the end of the stay. For more information on the CERN openlab Summer Student Programme, please visit <http://openlab.web.cern.ch/summer-student-programme> (link is external).

Required Documents

The application must be submitted by 19 February 2018 and the following documents should be attached to it:

CV (English or French)

Proof of enrolment at a university for the current year

Report on Candidate: Once your application has been submitted, you will receive a confirmation e-mail which contains a link to the CERN Report on candidate form. You must forward this link to at least one referee (preferably a professor).

Incomplete applications will not be considered.

The students are welcome to upload other relevant document(s) (e.g. academic records).

Possible dates of stay are:

18 June to 17 August 2018

25 June to 24 August 2018

02 July to 31 August 2018

Eligibility conditions

You must be a Bachelor or Master student in Computer Science, Mathematics, Engineering or Physics (with a strong computing profile)

You have completed, by summer 2018, at least three years of full-time studies at university level

You will remain registered as a student during your stay at CERN. If you expect to graduate during summer 2018, you are also eligible to apply

You have not worked at CERN before with any other status (Technical Student, Trainee, User...) for more than 3 months.

A good knowledge of English is mandatory; knowledge of French would be an advantage

What We Offer

An allowance of 90 CHF per day during your contractual dates

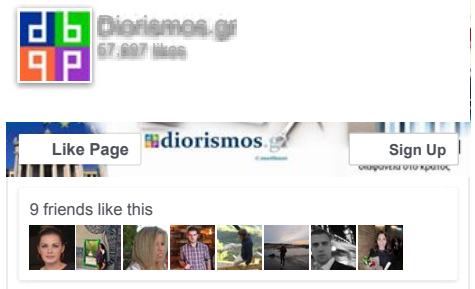

Travel allowance (on a lump sum basis)

Assistance to find accommodation on the CERN site or nearby

Health insurance scheme during your stay

#### Diorismos Social

Diorismos on Facebook Diorismos.gr on Twitter

Applications are considered by the CERN openlab Summer Student Programme Committee and by the future supervisors of the students. The results of the selection procedure will be made available to the students by mid-April 2018.

Diversity has been an integral part of CERN's mission since its foundation and is an established value of the Organization. Employing a diverse workforce is central to our success.
