International students who seek to have a full time experience in IT are invited to apply for the International Students CERN Openlab Summer Program 2018, all applications in this regard must be submitted before the deadline and eligibility criteria must be met to the later.

## About CERN Summer Program :

During two full months corresponding to nine weeks (June-August 2018), the CERN openlab summer students will be given a series of IT lectures (link is external) especially prepared for them by experts at CERN and other institutes. The students also have the opportunity to attend the CERN generic student programme lectures (link is external), if they wish. Visits to the accelerators and experimental areas are part of the programme, as well as visits to

**Type:** AFRICAN SCHOLARSHIPS | STUDY ABROAD  |  |

Training

**Field:**

ICT

**Benefit of Award:**

- An allowance of 90 CHF per day during your contractual dates
- Travel allowance (on a lump sum basis)
- Assistance to find accommodation on the CERN site or nearby
- Health insurance scheme during the duration of your contract
- 9 weeks of stay – 40h/week

**To Be Taken At (Country):**

Geneva, Switzerland

**Eligibility:**

- You must be a Bachelor or Master student in Computer Science, Mathematics, Engineering or Physics (with a strong computing profile)
- You have completed, by summer 2018, at least three years of full-time studies at university level.
- You will remain registered as a student during your stay at CERN. If you expect to graduate during summer 2018, you are also eligible to apply.
- You have not worked at CERN before with any other status (Technical Student, Trainee, User...) for more than 3 months and you have not been a CERN summer student in the past.
- A good knowledge of English is mandatory; knowledge of French would be an advantage.

**How to Apply:**

reach us before the deadline in order for your application to be considered.
