

# Summer Student Programme in Geneva at CERN openlab

## Summer Student Programme

### CERN openlab (/internships/internship-at-CERN%20openlab)

Geneva (Switzerland) (/internships/internship-in-geneva (switzerland))

Start Date: **Not Provided**  
Duration: **2 Months**  
Stipend: **Not provided**  
Deadline: **19 Feb'18**  
Full time

CERN openlab invites applications from students for Summer Student Programme 2018.

#### About CERN openlab (<http://openlab.cern/> (<http://openlab.cern/>)):

CERN openlab is a unique public-private partnership that accelerates the development of cutting-edge solutions for the worldwide LHC community and wider scientific research. Through CERN openlab, CERN collaborates with leading ICT companies and research institutes.

#### About the Internship:

Selected intern's day-to-day responsibilities include:

1. Work with some of the latest hardware and software technologies and see how advanced IT solutions are used in high energy physics
2. Attend a series of lectures developed for the CERN openlab Summer Students, given by IT experts on advanced CERN-related topics
3. Visit at the CERN facilities and experiments as well as other research laboratories and companies

#### Who can apply:

Only those candidates can apply who:

1. are available for full time (in-office) internship
2. are preferably available for duration of 2 months
3. are from Geneva
4. have relevant skills and interests
5. have already graduated or are currently in any year of study

#### Other requirements:

1. Must be a Bachelor or Master student in Computer Science, Mathematics, Engineering or Physics (with a strong computing profile)
2. Must have completed, by summer 2018, at least three years of full-time studies at university level
3. If you expect to graduate during summer 2018, you are also eligible to apply (You will remain registered as a student during your stay at CERN)
4. Must not have worked at CERN before with any other status (Technical Student, Trainee, User...) for more than 3 months and must not have been a CERN summer student in the past
5. A good knowledge of English is mandatory; knowledge of French would be an advantage

#### Additional Information:

1. An allowance of 90 CHF per day during your contractual dates
2. Travel allowance (on a lump sum basis)
3. Assistance to find accommodation on the CERN site or nearby
4. Health insurance scheme during the duration of your contract

5. 9 weeks of stay - 40h/week

6. Possible dates of stay are: 18 June to 17 August 2018; 25 June to 24 August 2018; 02 July to 31 August 2018

**Perks:**

Certificate.

**Editor's note:**

Information above is Internshala's interpretation and paraphrasing of what we found on the shared link. If you have any more specific information on this internship or have interned in this program before and would like to share your experience, please leave a comment.

You can also share meaningful internship that you know and join the movement to build a Wikipedia of internships and win exciting prizes. Check out the Share an Internship Contest (<http://blog.internshala.com/summer-internship-contests/share-internship-contest/>) for more details.
